### Nakshatra Porutham (Star Matching)

#### Rasi Porutham

Rasi porutham evaluates a couple's unity, long term family happiness and the longevity of their married life.

**Rasi Porutham is Very Good**

#### Rasyadhipa Porutham

Rasyadhipa porutham deals with the psychological dispositions of the couple, their mental qualities and their affection for each other.

**Rasyadhipa Porutham is Good**

#### Vasya Porutham

Vasya porutham suggests the degree of the magnetic control or amenability of wife or husband would be able to show on each other. It ensures much cooperation between the partners. There will be a "give and take" attitude, a desire to be cooperative and obliging.

**Vasya Porutham is Bad**

#### Gana Porutham

Gana porutham divides the 27 nakshatras into three parts. Gana porutham signifies the compatibility of temperament and character of the couples.

**Gana Porutham is Average**

#### Yoni Porutham

Yoni porutham divides the zodiac and the nakshatras in two groups named purusha (male) yoni and sthree (female) yoni for compatibility. The presence of yoni porutham brings in close attachment between the husband and wife. Yoni porutham also ensures good sexual compatibility between the couples. Yoni porutham helps to ensure that there is no problem on account of sexual dissatisfaction and incompatibility.

**Yoni Porutham is Good**

#### Dina Porutham

Dina porutham is based on the couples nakshatra at birth. In Dina porutham the couple's health and family happiness is indicated

**Dina Porutham is Good**

#### Mahendhra Porutham

Mahendra porutham is based on the couples nakshatra at birth. Mahendra porutham promotes children, good wealth, material comfort and luxuries.

**Mahendhra Porutham is Bad**

#### Stree Deergha Porutham

Stree deergha porutham ensures long married life and accumulation of wealth and all round prosperity.

**Stree Deergha Porutham is Good**

#### Rejju Porutham

Rejju ensures inner agreement and spiritual harmony. It also bestows on the wife 'deerga mangalya bhagyam' which means living happily with the husband for a long time. This is considered as the most important of the ten nakshatra poruthams.

**Rejju Porutham is Good**

#### Vedha Porutham

Vedha means affliction or obstruction. Certain nakshatras are capable of afflicting certain other nakshatras situated at a particular distance from them. Marriage should be avoided if the birth stars of the couple are in Vedha to each other. The presence of this agreement wards off all evils and pitfalls in married life.
